All qualified neighbors are eligible to purchase vacant land under the Land Bank's program. Properties are **not** sold on a "first come, first serve" basis.

If there is more than one qualified applicant for a property, that property will be **split** between all applicants. You may be asked to pay a portion of the costs of a boundary survey if the property is split.

Vacant land is usually sold for \$150 - \$300 per parcel. The Land Bank reserves the right to sell vacant land for its fair market value or for the value required by grant guidelines. Please **DO NOT** send money with this Application.
